

Thanks to the Estacada community!

Our Mission:

The Estacada Community Foundation (ECF) exists to enhance the unique culture and quality of life in the greater Estacada area.

Many Estacada residents have helped the ECF grow by participating in the City of Estacada "Add-on" program. **\$1,482 was directed to the Foundation through this "Add-on" program in 2017.** If you are not yet participating in this program the Foundation's Board of Directors invites you to consider this possibility. This is a great investment in Estacada and it is really very simple.

All you need to do is complete the form below and send it in with your utility bill. This "Add-on" program allows all of us to contribute in a small, but very significant way.

Thank you for supporting the work of the Foundation!
